A. H. GLEASON NAMED

Nomination for Postmaster Sent to the Senate and Will be Confirmed
The name of A. H. Gleason was sent into the United States senate last week to be postmaster at St. Johnsbury. Up to yesterday the nomination had not been confirmed but it will doubtless be as soon as the senate takes up the nominations before it. While no notice has been given when the change from Postmaster Stone to Postmaster Gleason will be made, it is rather expected it will come the first of July.

Arthur H. Gleason was born in Sag Harbor, L. I. in 1865, the son of Mr. and Mrs. G. H. Gleason. His father was a lawyer in Sag Harbor and Mr. Gleason attended the public schools there. When 21 years of age he went to Lincoln, Neb., and engaged in the grocery business which he followed until his appointment by Governor Pointer as chief clerk in the labor department. At the close of a two years' term in this office he returned to Brooklyn where he entered the employment of the Armour Packing Co. In November, 1902, he came to St. Johnsbury and engaged in the grocery business of Riley Bros., which he has since successfully conducted. Mr. Gleason has been a life-long democrat and has always taken an active part in the affairs of the party. Since coming to Vermont he has served as Caledonia County member of the democratic state committee and has been treasurer of that committee.

In 1892 he married Miss Lill E. Worthen, a native of Vermont. He is a member of the Masons, Modern Woodmen of America, Knights of Macabee and the Fraternal Union of America.

CITIZENS BANK WINS
Can Collect Insurance on Block Burned Four Years Ago
The supreme court of Vermont has confirmed the judgment of Caledonia County court that the plaintiff can collect the insurance carried at the time of the destruction of its block nearly four years ago, in the case of the Citizens Savings Bank and Trust Company vs. The Fitchburg Mutual Fire Insurance Co.

This comes as the result of two trials in the county court and two before the Supreme court, a reversal having been made in the first trial by the Supreme court.

The 11 cases of this bank against insurance companies formed the largest financial cases before the county court. It is not expected the other 10 will be tried as the decision in this case settles the contention made by them.

We pay for your cooperation.

LOOKS LIKE HOTEL

St. Johnsbury House Sold to Local Parties—Commercial Club is Forwarding Project.

The long agitation for an improved hotel here seems likely to bear fruit in the near future. A few weeks ago a special committee was appointed by the Commercial Club to see if \$20,000 could be raised for the purchase of the St. Johnsbury House and the construction of a reasonable enlargement of the same. At the meeting of the club last Saturday enough money had been pledged to make it seem reasonably sure the amount desired could be secured and money was raised there to purchase the house. The trade was consummated last Saturday and the house is now owned by local men.

The St. Johnsbury Hotel Company which was incorporated last year will be given a deed of the property as soon as the necessary money is pledged and it is planned to make arrangements with H. E. Moore, the successful proprietor of the house, to continue its operation. It is not probable extensive repairs will be undertaken this season but enough rooms may be fitted with baths to care for this season's business and the extension built later.

All that is necessary is the pledging of eight or ten thousand dollars more and the village will be assured of a first class hotel, constructed along lines of conservative investment that will accommodate the public and bring reasonable returns to the stockholders. It is not a time to deny the efforts to get a better hotel here but to respond to the solicitors and make the venture go. Should it fall now it will be a long time before we shall see a better hotel here.

At the meeting Saturday Pres. Fairbanks called attention to the fact the club now has a paid secretary and urged the members of the club to cooperate with him in making the club more of a success than it has been before.

That the new secretary is taking up his work with success was indicated by the report of the following names for membership in the club: E. S. Bailey, Robert E. French, Connell R. Lynch, A. L. Bragg, Fred S. Harriman, Alvin C. Noyes and Charles E. Kirk.

Principal Benedict urged the business men of the town to attend the graduation exercises of the Academy, next week, beginning with the baccalaureate sermon by Pres. Benton of the University of Vermont at the North church Sunday evening. He specially urged them to attend the alumni dinner on Thursday noon. It is especially desired that the residents of the town should attend to learn for themselves what the Academy is doing for the young men and women of this town and neighboring towns. There is a graduating class of 45 young men and women this year.

CONVENTION TONIGHT

First Session of Women's Federation Open to the Public

The first session of the annual meeting of the Vermont State Federation of Women's Clubs will be held in Grace Methodist church this evening at eight o'clock. Credentials will be presented from 7 to 8 o'clock.

The public is cordially invited to all the meetings, complete program of which was printed last week.

Members of the St. Johnsbury Women's club, delegates and officers, and all visiting club women are cordially invited to the reception to be held at Elmwood Thursday evening.

On Thursday and Friday afternoons between four and six o'clock tea will be served at the Woman's Club House.

The courtesy of longer hours will be extended by the Fairbanks Museum, during the sessions of the Federation, and it will be open from 9 a. m., until 6 p. m.

CHAPTER OF ACCIDENTS

Two Collisions With Automobiles—A Workman Hurt
In a collision between Dr. Aldrich's automobile and a team driven by George McRae on the Avenue House corner Thursday night the wagon was wrecked and Mr. McRae was thrown out. Fortunately he escaped injury. The horse freed itself and ran to the electric station before it was stopped. The collision was purely accidental and Dr. Aldrich settled damages on the spot.

John Leith of Elm Street was quite seriously injured Friday night when he accidentally stepped in front of Luman A. Ladd's automobile at the corner of Portland and Railroad streets. Mr. Leith was knocked down and had to be taken to his home where he was confined to the bed until yesterday.

T. H. Robinson of Mt. Vernon street, employed in the platform scaling room at the scale factory was badly injured last Thursday forenoon. A heavy platform fell striking him on the leg and tearing the ligaments. He will be laid up for several weeks.

PRIZES FOR BARNET

Every Contest in Central Caledonia Union Won by Barnet Boys and Girls.

The prize winners in the public school contests in the Central Caledonia Supervision Union met in St. Johnsbury Academy hall, Saturday, to compete for final honors. The gathering was in charge of Harvey Burbank, the superintendent of schools.

In the first section in spelling, Verna L. Shields of Barnet was unable to attend and no substitute appeared.

Natt B. Burbank of Danville missed first, and Anna May Lamb of Peacham next, leaving Glenn M. Kay of Walden the prize winner.

In the second section in spelling the contestants missed in this order, Sadie D. Powers, Peacham; Edith M. Hatch, Danville; Gladys I. Orton, Walden, leaving Harold D. W. Somers of Barnet standing.

The judges in the speaking contests were Principals Martin W. Chaffee of Peacham Academy; Lyman C. Hunt of McIndoes Academy; and Stanley W. Rockwood of Danville High school.

In the first section the prize went to Violet J. Guthrie of Barnet, while Jack N. Currier of Danville; Verna M. Rowe of Peacham and Clifton G. Schoolcraft of Walden ranked next in order.

In the second section Franklin H. Dow of Barnet took the prize, and the other speakers stood in this order: Reginald G. Eason, Peacham; Gladys A. Fellows, Danville; Edith M. Patterson, Walden.

It was the general opinion that these speakers were better prepared and did better average work than have the contestants in any of the contests held in the Union the past six years. The Union contests in the Barnet-Peacham-Walden Union will be held at Peacham next January.

WAITING FOR A JUDGE
Caledonia County Court Will Not Begin Business Until Today
The June term of Caledonia county court was opened yesterday morning with Assistant Judges Brown and Hoffman in attendance and a recess was taken until 11 o'clock this forenoon. This was done because Judge Stanton was not present and it is understood he will be here today.

Work on Grand List
The listers have not completed the work on the grand list and no footings have been made as yet. But there has been a large increase in the amount of personal property that formerly had been exempted on account of debts owing and some reduction on account of money loaned at five per cent and the exemption of old soldiers. But it is safe to say that when completed the town will have a grand list in excess of \$70,000.

Country Club Opening
The opening for the season of the Old Pine Country Club will be held next Saturday afternoon when all members of the club are invited to the links to participate in golf and tennis or enjoy the social privileges of the spacious and attractive piazzas. Eight new members have joined the club the past week and more are coming in as the season advances. The links will be the scene of an interesting match between local players and the tennis courts are in fine condition for this popular game. At the close of the day's sport the house committee will serve a supper at the club house.

Having Big Carpet Trade
The Berry-Ball Dry Goods Co. is having a very busy season in Wilton carpets. They have just completed the laying of 600 yards of Wilton carpet and new cushions for the Congregational church in Wells River. They are now working on a contract to furnish the dining room, halls and bed rooms of The Waumbuck at Jefferson, N. H., with Wilton carpets. Orders of this size are not often landed by St. Johnsbury firms.
